

LGI Moving Forward Residency Program 2025 Information Pack

Expression of Interest Now Open

We are excited to invite Expressions of Interest for LGI's 2025 Moving Forward residency program.

This residency offers artists the invaluable opportunity to access time, funding, and support to further develop projects that are near completion or ready for the next stage of refinement. At the end of their studio residency, Moving Forward artists will have the chance to present their work through a showing, and share insights into their creative process via publication online.

This pack contains all the necessary information about the program, including eligibility criteria and how to apply.
